

# DID YOU KNOW??

## St Augustine's RC School Parents Association, Solihull

### is registered with Amazon Smile?

We have been registered for a while (since 2018) but we don't think many people know!!!

AmazonSmile is a service operated by Amazon with exactly the same products, prices and shopping sold on [amazon.co.uk](https://amazon.co.uk).

The difference is that when you shop on AmazonSmile, Amazon will donate 0.5% of the net purchase price (excluding VAT, returns and shipping fees) from any eligible AmazonSmile purchases (which most are) to the Parents Association.

### Could you generate free donations for the Parents Association just by using Amazonsmile?

We would be extremely grateful if you would consider selecting St Augustines RC School Parents Association Solihull as your chosen charity and using AmazonSmile each time you shop with Amazon.

To complete the one-off set up you need to:

- \* Visit <https://smile.amazon.co.uk/>
- \* Sign in with your normal Amazon account details
- \* Choose a charity: 'Select an organisation or pick your own'
- \* Pick your own by searching for St Augustines RC School Parents Association Solihull
- \* Select St Augustines RC School Parents Association Solihull as your chosen charity

Please remember that you must always start at [smile.amazon.co.uk](https://smile.amazon.co.uk) for purchases to be eligible. Purchases through the Amazon App on your mobile are not eligible.
