- If you lose this sheet, it can be found on the school website on your class page.
- This term, Year 1 spellings contain 4 tricky words, and 4 decodable words.
- If a word has TW after it in brackets, this is a tricky word that we have learned or revised during that week. The other spellings are decodable words that contain the graphemes that we have been learning/revising during that week.

Spelling strategies that you could use to help you:

1. Look, cover, write and check – Look at the word, cover the word, have a go at spelling the word from memory and then check if you've spelt it correctly.
2. Write the word in a sentence remembering full stops and capital letters.
3. Rainbow letters – Write each letter in a different colour.
