

Baptism Home Learning

Your task:

Spend some time with your parents discussing your Baptism.

Create a PowerPoint (**maximum 2 slides**) or a **one-page project** (maximum one side of A3) to present to the class. This will also form part of your Confirmation pack, which is given to Bishop David during the Confirmation Mass as one of the offerings.

This homework is due in on **Monday 20th October.**

Late submissions may not be presented in class.

Headings to include:

- Date and place of Baptism
- Image of Baptism
- Who your Godparents are
- How did your family celebrate the day?
- Why did your family choose to Baptise you? Why is this special?

Important notes:

- This should be a **detailed** and **well-presented** piece of work (impress us!)
- It is important you complete this task with your **family**, especially as most of you will have been a baby at your Baptism.
