

St Augustine's Catholic Primary School

Head Teacher: Mrs J Foley

**We love and learn together by growing
in friendship with Jesus**

Monday 1st June 2026

Dear Parents/Carers,

We are excited to let you know that Year 6 are currently taking part in the Make £5 Grow project; an entrepreneurial initiative sponsored by Virgin Money.

This project gives children the opportunity to develop valuable life skills such as budgeting, teamwork, and creative thinking. Each child will receive £5 to create a small business idea, with the aim of making a profit.

Please take note of the following important dates:

Monday 8th June: Children should come to school dressed in business attire. On this day, they will pitch their business ideas to us, and if successful, will be awarded their £5 start-up fund to begin their project.

Friday 10th July: The Make £5 Grow event will take place from 3:25pm to 4:30pm on the school playground and field. This is a cash-only event where members of our school community can support the children by purchasing their products or services.

Once all money is collected, the class will choose a reward to celebrate their hard work, such as in previous years.

We kindly ask that you support your child by encouraging them to work **only** with the £5 they are given. This is an important part of the experience, helping them understand the value of money, budgeting, and working towards a profit.

Thank you for your continued support.

Yours Sincerely,

Miss Brennan
