Dear Parents/Guardians

Throughout the autumn term, a considerable amount of time has been spent ensuring that the library has a wide range of reading materials for children which are in good condition and support our children's interests and our curriculum topics.

A number of books have been taken off the system and are looking to find a new home! We thank staff and parents who have assisted with this mammoth task!

The good news is that that we will be holding a book sale, within school, on Tuesday 3rd December. All children will have time to visit the book sale and choose from a selection of books. Please send your child to school with £1 (or more if you afford it) and an additional bag to carry their books home in.

Funds raised from our book sale will support us in buying further new and exciting books for our library to make it an even more enjoyable reading environment. Some of the new furniture has arrived this week too and it looks fantastic! Money generated from the second hand uniform sale, Yr6 Make-5-grow project and KS2 sports day have gone towards this new furniture!

We hope children will enjoy this real life of experience of purchasing books and will find some texts linked to their own interests.

Any books left over will be donated to the PA, which may feature in the upcoming Christmas Fayre!

Yours sincerely,

Mrs Spillane
