9<sup>th</sup> April 2025

Dear Parent/Guardian,

As the Easter holiday approaches, we will be launching our Easter reading challenge. The challenge is designed for children from Nursery to Year 6 to encourage children to enjoy a variety of reading experiences including independent reading, visiting the library and reading a variety of different text types.

Tonight, your child will bring home their reading challenge board with different tasks for them to complete. On the back of their challenge, there is a template for them to record certain activities. Spare copies of the challenge can be found on the school website - <https://st-augustines-catholic-primary-school.secure-primariesite.net/english-4/>

To support children throughout the challenge, the following online resources could be used:

- To read a variety of poems for different age groups - <https://childrens.poetryarchive.org/>
- To read magazines online download the First News app

We would encourage all children to complete this challenge to support the development of their reading and to encourage them to read for pleasure. All entries will receive a certificate and there will be a winner chosen from each class. Please tweet @staugscps any photos which you take throughout the challenge as we would love to share and celebrate your child's enjoyment of the reading challenge.

Please return all entries by Wednesday 30<sup>th</sup> April.

We hope all children will enjoy the challenge and look forward to seeing their completed entries.

Yours sincerely

Mrs Spillane
