Dear Parents/Guardians,

We're looking forward to welcoming you to our Reception Mastering Number parent workshop on Wednesday 15th October, from 9:00–10:00am.

This session is a wonderful chance to:

- Learn about the approach we use to teach maths in the early years.
- Discover the ideas behind mastery maths.
- Enjoy working alongside your child with fun resources and games.

We hope you'll find it both informative and enjoyable.

Just a quick note: there will be no parking available outside school on the morning of the workshop, so please plan your journey accordingly.

Yours sincerely

Mrs Gilligan

Reception Teacher & Maths Lead
