We love and learn together by growing
in friendship with Jesus

Friday 10th October 2025

Dear Parents/Guardians,

After the first few weeks of school, we usually begin encouraging the children to walk down the path into school on their own to help develop their independence. We are grateful to those who have already started doing this—it's been wonderful to see how proud the children are as they enter school by themselves.

Starting from **Tuesday 14th October**, we kindly ask that you walk your child down the main path, but then encourage them to go through the entrance to the Foundation Stage outdoor classroom (via the **blue gate**) independently. A member of the EYFS team will be at the gate to welcome the children and help them settle into this new routine over the first few days.

Collection arrangements will remain the same.

Please take a moment over the next couple of days to talk to your child about this change, if you feel it would help them adjust more comfortably.

If you have any messages for staff, feel free to write them in your child's **Home-School Link Book**, which is checked daily.

Thank you for your support.

Warm regards,

EYFS Team
