Dear Parent/ Guardian,

This year, we are proud to be supporting the National Year of Reading which will celebrate the powerful impact that reading can have on children's lives.

The benefits of reading are endless from the positive impact it has on academic success and enjoyment of school, to supporting children's mental well-being and their understanding of the world.

Next week, we will be celebrating National Storytelling Week. For homework this week, all classes from Nursery to Year 6 will bring home a sheet linked to their favourite stories. Please support your child in talking about their favourite stories and recording these with a photograph, printed image or drawing along with the title of the book. These can be any stories they have enjoyed and from any age. During the week, children will be invited to share their favourite stories within their classroom.

We are looking forward to sharing our love of books, stories and reading with the children throughout this year and we hope you will support us on this journey.

Yours sincerely,

*K. Spillane*
