Spring—Exploring Pattern

As an Artist, I can:

- Understand that making drawings can be mindful, peaceful and relaxing.
- Use line, shape and colour to explore patterns.
- Fold, cut and collage to create patterns.
- Create repeated patterns to apply to a range of products or outcomes.
- Reflect on my own and others' work, discussing what went well and what could be better next time.

Artist Focus:

Rachel Parker, Shaheen Ahmed, Andy Gilmore,
Louise Despont
