in friendship with Jesus**

Monday 20th July 2026

Dear Parent/Guardian,

Introduction of the My Child At School App (MCAS)

Following the end of our subscription to 'School Interviews', we would like to inform you of a new system linked to the current MIS in school that we will be introducing in September 2026. The new system is called 'My Child at School Parent Portal' (MCAS) and is accessed via an app that can be downloaded onto mobile phones and devices.

What is MCAS?

MCAS is a secure online system that allows you to stay informed about different aspects of your son/daughter's school life whilst also keeping us informed of any changes to your personal data and parental consents. The app has different functionality that can be used at different times of the year including:

- Contact Detail Amendments
- Parental Consent Updates
- Parent Evening Bookings
- Club Bookings
- Issuing of Important school announcements.

How to Access MCAS

In September, parents will receive an email from Bromcom (our school MIS provider) with instructions on how to access and set up their MCAS account. Please follow the steps in that email to activate your account. **The activation link will remain active for 24 hours only.** If you do not receive this email or if it times out, you will need to contact the school office.

Using MCAS on Mobile Devices

We would recommend all parents and carers download the dedicated MCAS app available for smartphones and tablets before September. You can download it from your device's app store (such as the Apple App Store or Google Play Store) and log in using your account details. This allows you to conveniently access your son/daughter's information on the go.

Yours sincerely

Mrs Julie Foley
